An empty desk - symbolic of the vacancy of Ronald Earl Willis in our graduating class. A full tribute - symbolic of our deepest regrets.

Dedication

For several years she has devoted her time and assistance to the students of Farm Life High School. Confident and sure of herself, she never falters in any task she sets out to do, carrying out each task enthusiastically. She is more than a teacher; she is a friend and a warm understanding person. In the hall or in the classroom, she is never too preoccupied to smile. She has those outstanding qualities of character that make her students love and respect her.

For her understanding and her wonderful co-operation and help, we dedicate the 1969 MILLSTREAM to Mrs. Brenda Speller.

Music by RICHARD RODGERS
Lyrics by OSCAR HAMMERSTEIN 2nd
Book by OSCAR HAMMERSTEIN 2nd *and* JOSHUA LOGAN

Some enchanted evening
You may see a stranger,
You may see a stranger
Across a crowded room.

A hundred and one pounds of fun,
That's my little Honey Bun.

Bali Ha'i may call you any night,
Any day. In your heart you'll
hear it call you: "Come away, Come away."

Younger than Springtime are you,
Softer than starlight are you,
Warmer than winds of June
are the gentle lips you gave me.

Band And Chorus
